

# Holiday Giving

JOIN US TO HELP OUR MOST VULNERABLE CHILDREN AND THEIR FAMILIES

Morrison Child and Family Services delivers specialized services to children, ages birth through 18, and families coping with adversity and trauma. At the core of our work is a deep respect for the complexity of human nature and human needs—we guide children and their families through difficult issues by creating tailored treatment plans to address individuals needs and help them live productive lives.

The holiday season can be an especially difficult time for many of Morrison's clients and families. Through the Holiday Giving program, corporate and individual donors make it possible for approximately 700 Morrison clients without their own resources to celebrate the holidays. Offering a "give drive" in your home or office ensures that these children receive the joy and excitement of this magical season.

## Greatest Giving Impact

In an effort to support the many parents who dream of sharing the holiday season with their children we encourage you to consider a "gift card drive." This gift gives twice by enabling these dedicated parents to experience the joy of giving to their children.

Other Ways to Give this Season:

- **Adopt a child(ren):** Adopt individual children or a group by gathering holiday gifts. We will provide first names, ages, and the children's wishes which can be put on tags to hang on your office giving tree or be distributed to your team members.
- **Art & Activity Boxes:** A fun way to provide useful activities for the children's waiting rooms at our 18 local clinics. Provide enjoyment for the children who visit us year-round. We will supply a list of recommended items to fill the boxes based on your level of participation. Your gift will last beyond the season and provide hours of enrichment to the many children we serve.
- **Make a Financial Contribution:** You can raise donations in your workplace or designate a financial contribution for the holiday giving program, insuring that every child and family is included in the magic of the season.

*Thank you for sharing the holidays with Morrison!*
