Dear Internship Candidate:

Thank you for inquiring about our Internship Program in Clinical Child Psychology. Morrison Child & Family Services participate in the APPIC Internship Matching Program. As you will see described in the brochure our child and family outpatient services are quite extensive and multiple sites are involved; the psychology internship however is primarily stationed at the Gresham Outpatient Site.

A complete application consists of the following:

The standard APPIC Application for Psychology Internship (AAPI) including a copy of a Child/Adolescent Evaluation you conducted (edited for confidentiality)

The deadline for receipt of all application materials will be November 11, 2015.

This year Morrison Child and Family Services will be conducting in person interviews as a preference. The schedule for the interview dates will be forthcoming. Candidates who are unable to attend will *not* be adversely affected, and will receive a phone interview. Candidates can expect to hear whether they are invited to interview on or prior to December 10th.

Our one-year, full-time internship begins **Monday, August 1, 2016**. The current stipend is \$23,660.00/year. Other benefits are described in the Program Brochure, but do include medical and two weeks vacation.

Please submit your application materials on the AAPI website. If you have further questions, do not hesitate to ask.

Sincerely,

Dr. Joyce Ochsner, Ph.D.
Director of Training
Licensed Psychologist
Joyce.Ochsner@morrisonkids.org
