The Best Year Yet

Thank you Silver Linings supporters!

On March 16, more than 240 guests gathered to celebrate the courage and resilience of the children, teens and families Morrison serves. We are grateful to everyone who supported this year's Silver Linings Luncheon. Through your generosity, we were able to raise \$100,000 in support of our mission to provide compassionate services for children and youth coping with adversity and trauma.

We enjoyed sharing with everyone the important work we're doing here at Morrison. We were especially excited to premier our new video featuring the Family Sexual Abuse Treatment (FSAT) program. To watch or share the video, click [here](#).

If you weren't able to join us, you can still support our work and the well-being of the kids and families we serve. Whether by giving a one-time gift or by setting up a recurring monthly donation, your help ensures the children and families of our community receive the care they need. To make a donation, click [here](#). To learn more about and participate in the Morrison Foundation Match, please contact Kinsey Wright at kinsey.wright@morrisonkids.org.

Next year, Silver Linings Luncheon will be held on March 15th to celebrate our 70th birthday. Join us in celebrating – we look forward to seeing you there!

With deep gratitude,

The Morrison Family
