
The more we do, the more we help.

During our last fiscal year, we helped more than 8,000 children and their families through our continuum of programs. The more children and families we can positively impact, the greater the hope for the future. As we move forward, we share our renewed commitment to our community through our Mission, Vision, Values and Goals.

Our Mission is to help children, youth, and their families with mental health and substance use challenges while working to prevent them from developing in the first place.

Our Vision is that children, youth, and their families will thrive and achieve their full potential when they benefit from our effective behavioral health and prevention services.

Our Values are reflected in the following *Sanctuary Model* Commitments:

- Non-violence (providing physical, emotional, social, and moral safety for all)
- Emotional Intelligence (managing feelings well for the care-of-others and self)
- Social Learning (practicing the utmost respect for the ideas of everyone)
- Democracy (having shared decision making whenever possible)
- Open Communication (saying what we mean without being mean as we say it)
- Social Responsibility (ensuring teamwork that includes everyone's contributions)
- Growth and Change (co-creating transformation for a hopeful future)

Our Goals include the following:

- Provide high quality and effective services to children, youth, and their families.
- Ensure a well-trained, professional, inspired, and supported staff.
- Maintain balanced budgets to ensure long-term financial stability.
- Promote our Mission, Vision, Values, and positive contributions throughout the communities we serve.
- Be an anti-racist community-focused organization practicing race equity for all.

Did you know the Rotary Youth Center at Morrison, coming in 2020, will...

- Include an indoor rock climbing wall!
- Be a safe and secure space for our youth to play!
- Provide a place for community meetings!

- Have a solar array and eco roof!
- Feature a large play field for numerous activities!
- Have a rainwater collection feature!
- Use reclaimed lumber!
- Showcase a host of native plants!

Support from the Avangrid Foundation

Morrison is pleased to announce a recent grant award in the amount of \$10,000 from the [Avangrid Foundation](#)/[Avangrid Renewables](#) to support our Silver-Certified Sustainability at Work status with an LED lighting upgrade at our Sandy Administrative Offices. This will allow Morrison to work more effectively and efficiently as we reduce energy consumption as much as possible. Thank you, Avangrid!

Silver Linings Luncheon

May 15, 2019, 11:00 am - 1:00 pm
Sentinel Hotel

We hope you'll consider supporting Silver Linings Luncheon through sponsorship! As a corporate sponsor you will have a premier seat at the event, learn first-hand about our many programs, enjoy a wonderful lunch, learn from our Keynote Speaker [Lillian Tsai](#), see an inspiring presentation on the history of Morrison and hear about our future projects. PLUS, you'll get corporate promotion at the event and on our website. All for a wonderful cause!

2nd Annual Luminosa Bike Event!

Saturday, August 10, 2019

Mark your calendars for this first-class, multi-distance bike ride that supports Morrison Child & Family Services. Starting and ending at Champoeg State Park, the routes tour some of Oregon's most beautiful scenery in the Willamette Valley and include a 26-mile, a 44-mile, and a 63-mile route. A finish-line party with refreshments and live music follows the ride.

Come as a Family! Create a Team! Bring your Friends! Join us at the finish line! It's a summer event you won't want to miss! On-line registration coming soon; stay tuned!
