

December 2019

From our humble beginnings 72 years ago, Morrison Child and Family Services has grown to a team of over 450 staff serving more than 8,200 youth and families in Multnomah, Washington, Clackamas, Marion, Columbia, Polk, Lincoln, Linn, and Benton Counties.

The need for our services are profound. With your help, we can meet these challenges head-on.

Your year-end gift has a monumental impact on the lives of our children and families; it is life changing. From the very young children whose parents are in recovery, to our residential programs for teens recovering from commercial sexual exploitation and other trauma, your support provides each child with meaningful tools while they move toward a positive future. Your contribution, whether a one-time donation or recurring monthly gift, changes the lives of those in need.

This season join us in making a positive difference for kids and families.

Wednesday, March 4, 2020

On Wednesday, March 4th, 2020, we will host our 7th Annual Silver Linings Luncheon in the Governor Ballroom at the historic Sentinel Hotel in downtown Portland. More than 300 of our city's most prominent business and community leaders will gather to celebrate the programs and services Morrison Child and Family Services provides.

Silver Linings is an opportunity to increase public awareness of Morrison's community impact. It is also a chance to visit our program gallery and to meet the staff who work directly with the children and families we so proudly serve.

More details to come. If you would like to attend, or if your company is interested in sponsoring this inspiring event, please contact Caitlin.Cunningham@morrisonkids.org.
