

Dear Friends,

In the midst of COVID-19, Morrison remains committed to keeping our mental and behavioral health, foster care, and residential services accessible to those in need. Many are experiencing additional challenges during this time, and your assistance provides vital aid to our kids, teens, and families.

With [#GivingTuesdayNow](#), a global opportunity to express unity through giving, taking place **tomorrow, May 5th**, and this month being both Mental Health Awareness and Foster Care Month, join us today in helping vulnerable youth and families across Oregon. With your support, we provide care to thousands in our community.

Help us reach our \$5,000 [#GivingTuesdayNow](#) Fundraiser goal on Facebook.

Looking for a way to extend your gift? In this month of awareness and giving, help us help our kids and families through this crisis, while providing stability for their future. [Join the Dream Team](#), a dedicated group of Morrison supporters, by signing up for a monthly donation of a \$5 or more. By contributing each month, you provide sustainable long-term solutions that help us break cycles of trauma in the lives of the kids and families we serve. Your help is monumental now and in the months to come.
