

The Dream Team: This Fall and Beyond

Dear friends,

With fall comes the new school year. As our kids and families prepare to take on these transitions and changes caused by COVID-19, your support provides them with needed stability. From navigating virtual learning to the emotional weight of social distancing from one's friends and peers, today's youth are experiencing extra strain on their mental health. This school year is bound to be particularly tough for our kids. They need our help.

Get involved and [join Morrison's Dream Team](#), a dedicated group of our supporters, by signing up for a monthly donation of \$5 or more. By contributing each month, you provide sustainable long-term solutions that help us give the tools and mental health resources necessary to navigate this new type of school year.

Every month your contribution can provide...

\$5	\$10	\$25	\$50
Art Therapy supplies for one session	One activity item (yoga mat, soccer ball, etc.)	A new outfit for one youth	A new coat for one youth

We are committed to serving our community through this pandemic and onward. We are able to do the work we do because of the generous support of you, our community. Thank you!

Momentum 2020 Starts Today!

momentum

Today is the day! Pick up your feet or wheels and charge up your step counter and enthusiasm because *Momentum 2020* has begun.

Like you, we have health goals and a mission to help kids. Let's meet these together.

Move solo or build a team and log all types of activities during the month of September. Participants can win prizes and join a great community.

Outpatient Services: Here for You

TELETHERAPY
for **KIDS**
and
TEENS

Therapeutic services can benefit everyone, and the shifting stressors we navigate on a daily basis also exist for our children.

Morrison is here for your family, offering Telehealth services through internet capable devices as well as phone services.

We listen, and connect your family and child or teen with a clinician dedicated to helping them identify support systems and overcome hurdles.

You are a great support to Morrison, and we are here to support you.

Our Mission

At Morrison Child and Family Services, our mission is to help children, youth, and their families with mental health and substance use challenges while working to prevent those challenges from developing in the first place.
